Here's what a few of our past clients have to say.

"Peter was 'Awesome'. It is so nice to tell the story of him talking to my family from New York the night of the wedding. I would recommend him to any of my friends and family. His wife was superb as well. My friends and family would gladly use him for events!"

- **Keely and Michael Maira**

"Peter, we would sincerely like to thank you for the excellent job you performed at our wedding reception. Our pre-requested list was played, and our guest's requests were honored as well. We were thrilled that so many people danced. We know you had a long day, but we especially appreciated your willingness to stay longer than originally contracted. Everyone is still talking about what a great time they had. Thank you!"

- **Christine and Travis Meredith**

"Peter went out of his way to make our wedding perfect. He helped us plan, select music, and took charge so we did not need to worry about anything. We were so pleased with his trumpet playing too! It was a bonus and everyone loved it!!!

- **Lisa and Chris Delessio**

"I want to personally thank you for a superior job for both the rehearsal dinner and wedding reception. You made the rehearsal dinner extra special by providing your magic and helping to entertain our guests. It was uplifting and fun and not the usual boring dinners. It was of great pleasure to have you there - you fit in like family. The wedding was something else and I never-ever have seen people have such a fabulous time. Everyone stayed on the dance floor. All of 240 guests could not say enough good things about the entertainment and your trumpet playing jazzed up the evening. What a grand selection of music. It was spectacular! Thank you and we will recommend highly."

- **Brenda and Ernst Stott**
